BLOCK POWER

SERVE YOUR COMMUNITY • GET OUT THE VOTE • GET PAID!

On January 5th, Georgia will hold a runoff election for both of its two US Senate seats. The results will determine which party controls the Senate. How Georgians vote on January 5th will impact everything from healthcare, to student debt, to minimum wage to taxes for YEARS to come. Every single vote matters.

This November the **Black voter turnout was historic**. Yet with 2.4 million eligible Black voters in Georgia, we know that with your help, we can do even better now — and everything's at stake.

At BlockPower, we're looking for **Voting Ambassadors** to look on our list for their friends, families, and neighbors, and then reach out to give them an extra push to the polls, to encourage them to vote, and then to remind three people in their circle to vote.

In this past election, BlockPower activated **over 150,000 Black voters**!
